

# *Message to all members*

*In line with most organisations in the entertainment world, OCT has no choice but to act in the best interests of it's members and followers during the present difficult times.*

*To that end, we have postponed our next play "Outside Edge", and also readings for the Autumn production. The Hereford Festival has also been halted, which means all the hard work put in by Judith and her players is on hold.*

*We were indeed very fortunate to be able to continue with the successful staging of "Opposite Sex", which was a credit to all those involved.*

*It is our sincere hope that all members and friends stay safe and healthy, and we can look forward to getting the show back on the road later in the year.*

*Thank you for your continued support.*

Chair*
